

## Fishermen to return from Burma today

THE 135 freed Thai fishermen who have been stranded in Burma will fly home today from Rangoon, Deputy Foreign Minister Prapass Limpabhandhu said yesterday.

The trawlermen, who were arrested and jailed for intruding into Burmese territorial waters, came from eight Thai ves-

sels that were intercepted on different occasions.

Mr Prapass said relatives should bring to the airport official documents confirming the crewmen's identities to facilitate immigration checks.

Burma has freed 746 Thai fishermen between January and September 10.
